MEMORANDUM FOR: Chief, Far East Division

SUBJECT : Request for Training Officers to Go TDY  
25X1A6a to [REDACTED]

1. While OTR would have liked to make available the training assistance needed in [REDACTED] during June and July 1965, the pressing commitments of the Covert Training Staff have made this impossible. As your representatives have been informed, Covert Training commitments were solid until September 1965.

2. It is my understanding that other means of satisfying this requirement are in the making. OTR will make available training materials to help assure the success of the program.
